Genesis 1:26-28

"The God said, Let us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth." So God created man in His own image; in the image of God He created him; male and female He created them. Then God blessed them, and God said to them, Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."

Psalm 115:16

"The heaven, even the heavens, are the Lord's; But the earth He has given to the children of men."

So often you hear people blame God for the conditions on the earth but if we look at these two scriptures we see that God has given man the authority in the earth. Why did God need to come as a man? Why do we pray? I believe God is limited to what He can do on the earth without a man/woman through which He can express His will.

I hear people say what ever God wants will happen. This is not true. He must have a man/woman through which He can release His purposes into the earth realm. God needs a man or woman who believes Him and releases His words into the earth - one who walks with Him giving Him access to the earth realm. The earth has been given to the children of men. My friends the condition of our world is not God's fault but ours. He has given us dominion. The question is what am I doing with the authority He has given me? Am I acting like a weakling or am I realizing I have kingly authority? I am here as an ambassador for the Kingdom of God. I am His representative here to speak for Him and bring about His will here. I am a GATE for the King of Glory to come into the earth (*Psalm 24:7-10*). WOW!

My dear friends let's not be passive but let's take our responsibility for the earth. Let's arise in this hour. Our generation needs us!!!

Committed to the King's cause,

Pastor Ron
